ATSEP Assessor Refresher

Course aim

The course ensures that already competent ATSEP assessors maintain their knowledge and understanding of safe and efficient assessment of colleagues and/or students in the operational environment. Additionally, the course improves assessors' safety awareness, communication skills, understanding of human performance, motivation, and confidence.

Course structure

This is a 1-day course in which we use various training methods: classroom lessons, group work/ discussions, exercises, role-play, and scaffolding teaching.

The course can be delivered on-site at Entry Point North, at the client's premises, or in a Virtual Classroom.

Content in brief

The course covers topics such as, but not limited to:

- Reinforcing assessors' understanding and use of the assessment techniques/methods
- Refreshing knowledge of regulatory requirements for competence assessors and competence assessment scheme
- Improve understanding of how to objectively measure operational competence
- Improve the use of effective verbal communication, non-verbal communication, and effective listening skills during the assessment of competence
